

Radicare Privacy Policy

Radicare is committed to protecting the privacy of the personally identifiable information you provide to us. We also believe it is important to inform you about how we use your personal data, as well as to give you choices about how the data is used. We therefore recommend that you read this Privacy Policy carefully.

Privacy statement

This is the privacy statement of Radicare. Radicare respects the privacy of its customers and users of its website and services and ensures that the personal information provided to Radicare is protected and treated confidentially. In this privacy statement we explain how we process, collect, use the personal data we obtain and for what purpose.

Collection and use of personal data

Radicare records your personal data in an electronic file. When only using our website, no personal data is collected other than the IP address. At that time, Radicare is in no way able to determine your identity if you only visit our website.

We register your personal data in the following situations:

- When making a purchase from Radicare;
- When completing a contact form, order form, information form or application form on the website;
- When registering for meetings, newsletters and/or other marketing communications

In doing so, we may ask you for the following information, among other things:

- Name and address, e-mail address and telephone number;
- Date of birth and gender;
- When applying for a job: Curriculum Vitae (CV), information about education, internships and work experience;
- Position of contact persons.

These data we use for the following purposes:

- Performing an assignment and informing you about the status of this assignment;
- Sending newsletters and digital mailings with commercial messages; If you do not appreciate receiving this information, you can unsubscribe or change your details via the link at the bottom of the newsletter;
- Arranging meetings and events;
- Recruiting and selecting suitable candidates for open vacancies.

Cookies

Like most websites and applications, our website uses cookies. A cookie is a simple small text file that is sent along with a page from this website [and/or a Flash application] and is stored by your browser on the hard drive of your computer, tablet or telephone.

FUNCTIONAL COOKIES SUN-REV

uses cookies to ensure that our website and applications work properly and also to remember your chosen settings and data entered so that your use of the website is facilitated on your next visit.

RETARGETING COOKIES
